

SICKNESS

sickness comes in many forms...

*spiritual
demonic
physical
relational
& from
past hurts*

Christians are not exempt from physical diseases, the results of sin, hurts from others, the consequences of our own sinful responses, or attacks from the enemy of our soul. In fact, sometimes we Christians are attacked even more than unbelievers!

HEALING

*Jesus is the
Great
Physician &
can heal all
five kinds of sickness!*

*"And Jesus was...proclaiming the gospel of the kingdom, and healing every kind of disease and every kind of sickness."
Matt. 9:35*

Jesus...said to them, "It is not those who are well who need a physician, but those who are sick." Luke 5:31

*Not only does Jesus heal,
but He commands His
followers to do the
same! Let's
do it!*

"And He sent them out to proclaim the kingdom of God and to perform healing." Luke 9:2

"And they were casting out many demons and were anointing with oil many sick people and healing them." Mark 6:13

FIRST STEPS TO SPIRITUAL HEALTH

Sometimes we naturally want instant healing. However, our state is usually the result of years of many bad choices, responses, sin, and unbiblical living patterns. Jesus wants to heal the roots, not just the fruit! This takes time.

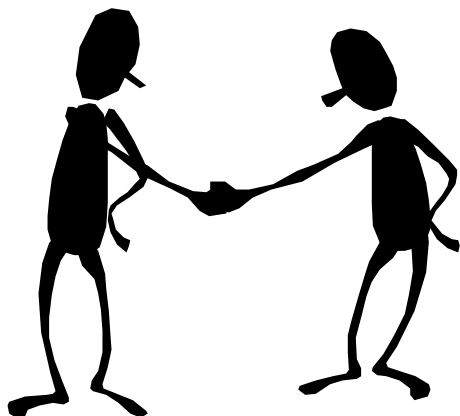

- 1. Spend time with God daily in prayer and His Word.*
- 2. Confess all known sin to the Father.*
- 3. Regularly meet with your Accountability Partner as you develop healthy living habits & grow in basic discipleship.*
- 4. Use our Equipping Library for additional resources.*
- 5. Faithfully attend church services and your cell group where Jesus is in the midst of His Body.*
- 6. Receive prayer at both cell & corporate services . You never know how or when Jesus may heal!*
